

**Itinerary for  
Sea of Cortez, Baja – Snorkeling with Whale Sharks  
On the MV *Westward***

*Itineraries are dependent on weather and tides and may change at the captain's discretion.*

**Sailing among the scattered islands along the shore of the Baja peninsula, we will snorkel with young sea lions, walk along desert island ridges and palm-lined arroyos, visit a remote fishing village and kayak into a mangrove lagoon. A favorite highlight is the half-day snorkel with whale sharks.**

**La Paz to Loreto Day 1**

One of our crew will meet you at the door as you exit the customs and immigration check at the Los Cabos Airport. You will be escorted to our van, which will transport you to La Paz. Our van will be leaving the airport at 2:00 PM for the drive to La Paz. Upon your arrival at our boutique hotel in La Paz, you will have time for a stroll along the bay-side Malecon before we gather for dinner at a restaurant near the hotel.

**La Paz Round Trip Day 1**

One of our crew will meet you at the door as you exit the customs and immigration check at the Los Cabos Airport and escort you to our van, which will transport you to La Paz. The van will be leaving the airport at 2:00 PM for the drive back to La Paz, so please plan your arrival time accordingly. The van will bring you directly to *Westward's* moorage, where the crew will assist you in getting your gear aboard and stowed. Depending on timing and weather, we may spend the night at the dock, or find a quiet anchorage outside of La Paz harbor.

**Loreto to La Paz Day 1**

Plan to arrive in Loreto via the Alaska/Horizon Air flight from LAX. Our crew will meet you as you emerge from Customs and Immigration and escort you to our hotel in Loreto. You will have a couple of hours to explore the many shops and sights, including the first mission church in the Californias, and milepost zero of El Camino Real, which was built to link the missions. We will have a group dinner in a garden restaurant near the old square.

**Whale Shark Snorkel (Day 2 La Paz-Loreto & Round Trip/Day 8 Loreto-La Paz Day)**

Today is whale shark swim day! Only a few outfitters are granted access to the whale shark swim area, and these operators are specially trained and follow strict regulations. Depending on the weather, we will either meet our outfitter inside the port of La Paz, or outside, closer to the designated whale shark swim area. We will board a small, open fishing boat, called a panga, which will be your transportation into whale shark waters. After your time with the whale sharks you will return to *Westward*.

**All Other Days**

We will spend these days cruising through the scattered islands between La Paz and Loreto. Along the way we will kayak along rugged cliffs and into quiet mangrove-lined lagoons, snorkel in impossibly clear water, cataloging myriad fish that seem to fly beneath us, and gather to enjoy truly gourmet meals.

Weather and sea conditions play a huge part in how we select our routes and anchorages, but with thousands of miles of experience in and among these islands, we will show our guests the very best of what is available during our time together. In these waters I have seen blue, humpback, sperm and fin whales, orcas, common and bottle nose dolphins, pilot whales, and acres of leaping manta and mobula rays. We have had striped marlin swim right next to our boat, and taken so many sunrise and sunset pictures that we have struggled to choose our favorites.

### **La Paz Round Trip Day 5**

Raising our anchor after an early breakfast, we will get underway and return to La Paz. We will adjust our arrival time to accommodate our guests' travel schedule. We provide an airport connection, but suggest you schedule a flight departure from Los Cabos for after 4:00PM.

### **La Paz to Loreto Day 9**

Raising our anchor after breakfast and perhaps a final kayak paddle, we will make the short transit from our night's anchorage to Puerto Escondido, located on the peninsula shore. Our van will bring you to the airport to catch the Alaska Airlines/Horizon flight from Loreto (LTO) to Los Angeles (LAX).

### **Loreto to La Paz Day 9**

We will share an early breakfast aboard *Westward* before we meet our van for transportation to the Los Cabos International Airport. The van will leave the marina at 8:00 am, which will get us to the airport by 11:00 am. Please plan your return flight accordingly.
